OVERARCHING RESEARCH THEME

- My overarching research interest is centred on a phenomenon that I would define as strategy in *coherent groups of organisations* – you might even call them spheres of organisations – within the Civil Society. I am especially interested in the cases when different logics, rationalities and organizational forms are mixed within the same coherent group of organizations.

CURRENT RESEARCH AND RESEARCH INTERESTS

- Civil society organizations
- Foundations
- Strategy formation and strategic changes
- Discourse analysis

PUBLICATIONS

- Einarsson, S (2007) "Towards a 'Movement Strategy' and the issues of Integration & Differentiation - The case of the IOGT-NTO Family" Paper presented at the 23rd EGOS Colloquium, Vienna, Austria, July 5-7, 2007
- Söderholm J. & Einarsson, S. (2007) "Balancing the interests of financiers versus the interests of the principals - studying the sports movement and the cancer society in Sweden" Paper presented at the 23rd EGOS Colloquium, Vienna, Austria, July 5-7, 2007
- Einarsson, S. (2007) "Organisering och strategi i sammanhängande grupper av organisationer i det civila samhället" Thesis proposal presented at Stockholm School of Economics, May 5th
- Wijkström, F. & Einarsson, S. (2004) "Foundations in Sweden. Their Scope, Roles and Visions" Stockholm: EFI
- Wijkström, F. Einarsson, S. & Larsson, O. (2004) "Staten och det civila samhället. Idétraditioner och tankemodeller i den statliga bidragsgivningen till ideella organisationer" Stockholm: Socialstyrelsen
- Wijkström, F. & Einarsson, S. (2004) "The Swedish Foundation Sector. Its size, scope and structure in the early 21st century" Special report to the European Foundation Centre (EFC) and The European Union Committee (EUC)
- Einarsson, S. & Gustafsson, J. (2003) "Driving Forces behind Voluntary Leadership" Master's thesis presented at Stockholm School of Economics.
